Concerned Citizens of Glenwood, Petitioner(s)

PARTICIPANT STATEMENT

1. Petitioner(s) are appealing the Postal Service's Final Determination concerning the Glenwood post office. The Final Determination was posted 9/26/2011 (date)

2. In accordance with applicable law, 39 U.S.C. § 404(d)(5), the Petitioner(s) request the Postal Regulatory Commission to review the Postal Service's determination on the basis of the record before the Postal Service in the making of the determination.

3. Petitioners: Please set out below the reasons why you believe the Postal Service's Final Determination should be reversed and returned to the Postal Service for further consideration. (See pages of the Instructions for an outline of the kinds of reasons the law requires us to consider.) Please be as specific as possible. Please continue on additional paper if you need more space and attach the additional page(s) to this form.

See Attached page.

More than half of the citizens of Glenwood are elderly and retired. A lot of them walk to the Post Office to get their mail. This also gives them exercise they probably would not get otherwise if our post office closes. They also are not going to drive to a post office in Luverne or Goshen to get their mail. Most of them could not drive anyway. We would also lose our identity. If we have to get a route carrier mail box, it will not be as secure as a box in the post office.

We feel that the closing of our post office here in Glenwood and replacing it with some other service like a rural carrier will not save any money for the USPS.

Respectfully,

Sylvester Boyd for
